City of Grapevine

City Demographics

Grapevine is located in the center of the Dallas/Fort Worth region, 21 miles northwest of downtown Dallas and 19 miles northeast of downtown Fort Worth. The city is located in the northeast corner of Tarrant County and is home to the Dallas/Fort Worth International Airport, the third busiest airport in the world. Two-thirds of the airport, including all terminal buildings, are located within Grapevine city limits. Also located within the city is Grapevine Lake, a major water source for the Metroplex managed by the U.S. Army Corps of Engineers.

Grapevine has a total area of 35.84 square miles and a population of 46,334.

Grapevine is home to a number of tourist destinations including the

- Gaylord Texan Resort
- Great Wolf Lodge
- Grapevine Mills Shopping Mall
- Wineries
- Fine dining restaurants
- Movie theaters
- Historic Palace Theater.
- Median Income \$97,148
- Percent of population with College Degree 31%

Historic Downtown Main Street

Police Department

Mission Statement

The mission of the Grapevine Police Department is to provide a safe community for our citizens, businesses, and visitors. We endeavor to provide the highest quality police services by applying the values identified on our Principal Compass.

Principle Compass

The Principle Compass serves as a visual reminder of four foundational character qualities that are necessary to operate successfully in the community—Integrity, Quality, Dignity, and Equity.

Integrity and Quality serve as our north and south points and these are understood as internal qualities, or how we relate to ourselves.

Dignity and Equity are the east and west principles and are external qualities, or how we relate to others.

Each of the four principles asks a question.

Integrity asks, "Is this the best course of action?"

Quality asks, "Is this the best effort?"

Dignity asks, "Is this respectful?"

Equity asks, "Is this fair?"

While we have extensive policies covering many topics, the Principle Compass, in effect, serves as our foundational policy, providing the framework for decision making at all levels.

Police Department

Chief of Police

With the closing of another year I once again take pride in presenting the Grapevine Police Department's Annual Report for 2012. This report provides an opportunity for our constituents to reflect on the successes of the past year as well as looking forward to the expectations for the year to come. I am particularly proud of the continued reduction in overall crime despite the fiscal challenges and the increased visitor population in our community.

The Grapevine Police Department is comprised of 135 dedicated men and women committed to providing a safe environment for the citizens and visitors alike. They are steadfast in their desire to provide exemplary customer service while keeping the community safe and maintaining the trust of our citizens. In 2012 their efforts were successful in lowering overall Part 1 crime by 10.5%.

The FBI Uniform Crime Report divides Part 1 crime into two categories; Property Crime and Violent Crime. In 2012 the City of Grapevine had 58 violent crimes reported. That is a 32.5% reduction from the 86 crimes reported in 2011. There were 1,303 property crimes reported in 2012 which is a 9.1% reduction from the 1,434 reported in 2011.

Looking further into the data, the most dramatic reduction can be found in the area of Auto Theft. Over the last 2 years we have had a 50% reduction in Auto Thefts. In 2010 there were 144 vehicles reported stolen in the City and in 2012 that number had been reduced to 72. This is a significant reduction considering the number of vehicles coming into the city every single day.

These significant accomplishments give me tremendous pride and gratitude for the creativity and commitment of the men and women who make up the Grapevine Police Department. Their efforts are greatly appreciated.

In November 2012 the citizens of Grapevine also voiced their support for the work of this department when they overwhelmingly approved a bond proposition calling for the construction of a new Public Safety facility. That measure was passed by 77% of the voters.

With that, I would like to thank you, the citizens, for supporting our department throughout the year. Your willingness to partner with us has helped to keep Grapevine safe. I hope that you find this year's Annual Report informative and helpful.

Respectfully,
Eddie Salame
Chief of Police

Police Department

Awards

The Grapevine Police Department's commitment to excellence was recognized by a number of organizations this year. The following units were honored for achievements in their area of specialization.

Crime Prevention

- The Crime Prevention Unit achieved recognition from the International Association of Chiefs of Police and Wilmington University for Outstanding Community Policing.
- Crime Prevention was also recognized by the Texas Chisholm Trail Crime Prevention Association for the Above and Beyond Award for their efforts this year.
- Senior Officer Scott Rhodes was named Outstanding Crime Prevention Officer of the Year by the Texas Chisholm Trail Crime Prevention Association
- Sergeant Dale Roath was named Outstanding Crime Prevention Manager of the Year by the Texas Chisholm Trail Crime Prevention Association

Volunteers

- Our Volunteers in Police Service (VIPS) were recognized by the International Association of Chiefs of Police for Outstanding Achievement in Law Enforcement Volunteer Programs.

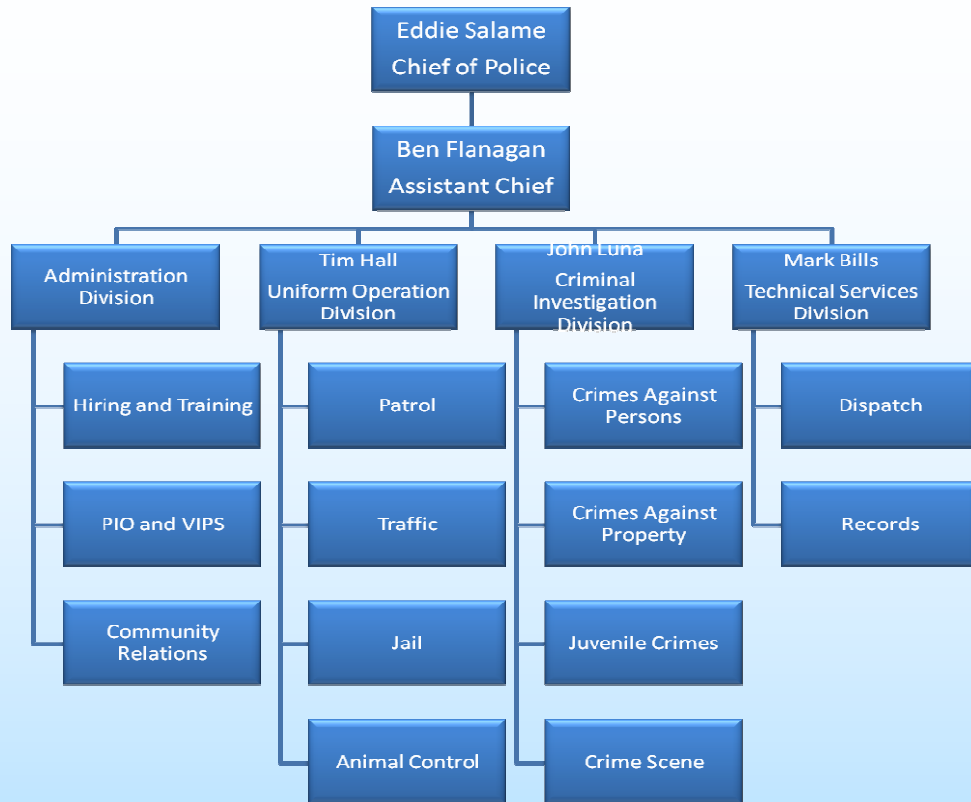

Animal Control

- Grapevine Animal Control was recognized for their efforts at keeping animal populations spayed and neutered by the Texas Coalition for Animal Protection.

10 have Master Degrees— (8%)

Administration Division

Administration Division

The Administration Division is responsible for the philosophy and general oversight of the Department. The Grapevine Police Department operates from a community-oriented policing model and is supported by Compstat, a data-driven management tool allowing managers and supervisors access to critical data to make intelligent, efficient, and timely deployment decisions.

The Administration Division provides oversight to:

- Budget management
- Internal investigations
- Hiring and Training
- Police Chaplaincy
- Outreach programs such as Citizen Police Academy, Volunteers, Community Outreach Center
- Crime Prevention
- School Resource Officers

**Assistant Police Chief
Ben Flanagan**

Administration Division

Budget

The budget for the Police Department begins annually on October 1 and runs through September 30. The Department has a budget of just over \$15 million and is divided among the four divisions as indicated in the table below.

FY2013 Budget		Administration	Uniform Operations	Criminal Investigations	Technical Services	Animal Control	Totals
General Fund	Personnel Services	1,453,773				182,712	1,636,485
	Supplies	69,657				35,829	105,486

Administration Division

Data Analysis

The Department is increasing its use of data analysis in order to more effectively attend to the needs of the community and manage the Department. The Department operates under a community-oriented policing philosophy and supplements that model with a data analysis program called Compstat.

Compstat is a management tool that analyzes large volumes of data to permit managers to make intelligent data-driven decisions to address concerns of the community. Compstat takes into account data such as:

- Call volume
- Crime reports
- Arrest data
- Geographic data

Monthly Compstat meetings require participation across division lines to examine problems from multiple angles and to keep personnel accountable for their efforts. The overall goal of Compstat is quantifiable crime reduction.

All the data that populates this report is the product of the statistical analysis that supplements Compstat.

Administration Division

Racial Profiling

In accordance with the Texas Racial Profiling Law (Senate Bill No. 1074), the Grapevine Police Department collects traffic citation data for the purpose of analysis regarding concerns of racial profiling.

The Department received one racial profiling complaint in 2011. The historical data of the Department indicates that the Department is not engaged in the practice of racial profiling.

Racial Profiling	Citation Contacts		Searches		Consent Searches		PC Searches		Arrest

Administration Division

Community Relations

The Community Relations Unit consists of our School Resource Officers and Crime Prevention Officers. Together this team works with significant stakeholders in the business community, academic community, civic organizations, and residential groups to create a safer, smarter citizenry.

School Resource Unit

Each of the three secondary education campuses is staffed with personnel. Officers are on the following campuses full time:

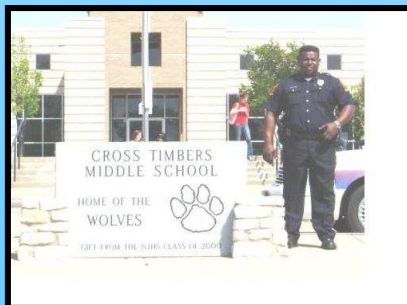

- Grapevine High School
- Grapevine Middle School
- Cross Timbers Middle School

School Resource Officers are assigned a campus are responsible for the security of the campus, the safety of the students, and tasked with educating students, parents, and staff on a number of issues important to the community including:

- Substance use and abuse
- Violence and bullying
- Making wise decisions

Grapevine High School

Cross Timbers Middle School

Grapevine Middle School

Administration Division

Crime Prevention Unit

The Crime Prevention Unit is designed to educate the community on crime trends and prevention methods. As our population is increasingly digital, the Department now offers the following means of digital communication:

- Nixle—an electronic alert system where subscribers may receive email or text alerts of interest to them including traffic notices, community notices, special events, and crime alerts
 - Facebook—our facebook pages informs the community of various programs offered by the department
 - Twitter—our twitter page provides notice of time sensitive information to the community
- See the Contact page for links to these digital resources.

National Night Out

The Crime Prevention Unit is a leader in educational programs for various segments of the community. This year the unit was awarded international recognition as Outstanding Crime Prevention Unit for Cities Under 100,000 Population.

Officers in the unit are involved in programs such as

Open House

- National Night Out
- Home and business security surveys
- Summer camps for at-risk students
- Substance abuse prevention education
- VIN Etching
- Police Department Open House

Summer Camp for At Risk Students

Administration Division

Community Outreach Center

Recognizing the need to get outside the walls of the Police building and have a greater impact on the community, the Grapevine Police Department established the Community Outreach Center (COC).

The COC was designed in cooperation with the Grapevine-Colleyville Independent School District to reach out to our community along Mustang Drive, a historically lower socio-economic area. The COC provides numerous programs intended to educate and engage parents and children in this area. Programs include:

- English as Second Language (ESL) classes
- Academic tutoring
- GED classes
- AA Group meetings
- Kids clubs
- Arts and ballet classes
- Reading/book clubs

Community Outreach Center

Community Events

Administration Division

Citizen Police Academy

The Citizen Police Academy (CPA) is where volunteer service begins. CPA is a twelve week program where community-minded citizens come to learn various aspects of the Police Department, culminating in a graduation banquet.

Each week the citizens attend a three hour class that explains various functions of the department such as:

- Administration
- Patrol and Traffic Operations
- Criminal Investigations
- Firearms and SWAT
- Crime Scene Investigation
- Dispatch and 911 Systems

CPA Graduation Fall 2012

Volunteers in Police Services (VIPS)

Volunteers are a vital part of the Department. Each year the volunteers find many ways to give back to the community by helping with a variety of important tasks that officers and other employees were accustomed to doing on their own. Our VIPS begin with the Citizen Police Academy (CPA). The VIPS are staffed by CPA graduates and serve in many capacities throughout our department:

- Volunteer Patrols
- Information Window
- Assisting at festivals
- Document scanning
- Assisting with fleet maintenance
- Assisting school crossings

In 2012 our VIPS volunteered 12,181 hours. That is the equivalent of more than six full time employees and has been calculated financially to be worth in excess of \$232,000.

Uniform Operation Division

Uniform Operations

The Uniform Operations Division has a total of eighty-seven employees. Sixty-four are sworn police officers, ten are full time non-sworn personnel, and thirteen are part-time school crossing guards. The Division reports directly to the Assistant Police Chief, with daily operations under the supervision of one Captain, three Lieutenants, nine Sergeants, and two civilian supervisors.

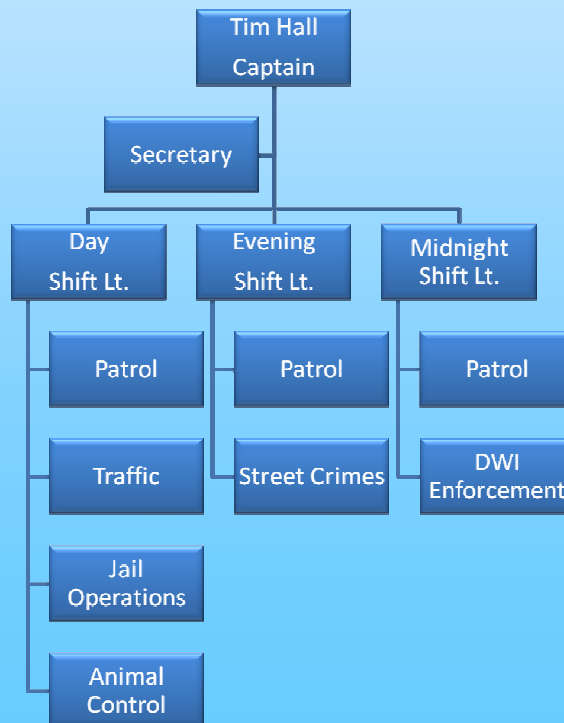

Lieutenants equally divide management oversight of the patrol shifts / specialized units, as well as administering the department, Honor Guard, K-9 program, Field Training Program, Bike Patrol, ATV Patrol, special event planning (City festival's, July fourth fireworks, parades, etc...), and school crossing guards.

Individual Sergeants supervise six ten-hour patrol shifts, each directing the field operations of five to seven officers. The shifts overlap for an increased presence during peak times. The Traffic Unit is comprised of a day and evening shift, each overseen by Sergeants. The ninth Sergeant manages the Street Crimes Unit, which focuses on specific crime concerns / trends that arise. The Civilian supervisors direct the City Jail and Animal Control Operations.

This past year, the Department SWAT (Special Weapons and Tactics) and Hostage Negotiation teams transitioned to a shared / combined team with Hurst, Euless and Bedford. The new team is known as NETCAST (Northeast Tarrant County Area SWAT Team).

Captain Tim Hall

Uniform Operation Division

Patrol Unit

The patrol is the most visible element of the Department and provides preventive patrol, first response and initial investigation of all reported offenses

Additionally Patrol units operate:

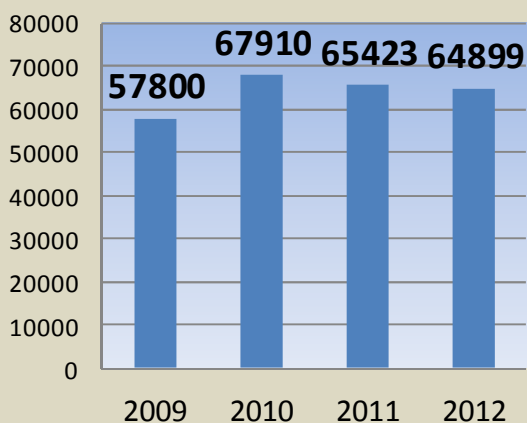

- Bicycle patrol
- ATV patrol around the lake
- Festival security
- Special enforcement

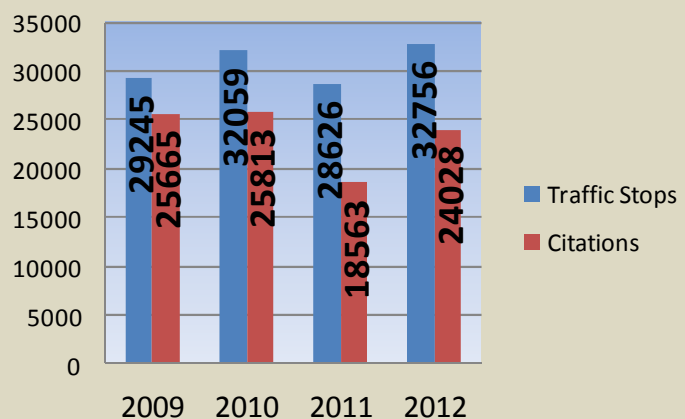

The patrol section operates twenty-four hours a day, seven days a week and is divided into three shifts. The day shift works from 6:00 am to 4:00 pm, evening shift from 3:30 pm to 1:30 am, and the night shift from 8:30 pm to 6:30 am.

The City is divided into nine districts to facilitate timely responses to calls for service throughout the City. The districts were established with consideration given to population density, geographical barriers, and ingress/egress.

Calls For Service

Traffic Stops and Citations

Uniform Operation Division

Traffic Unit

The Traffic Unit consists of:

- Two Motorcycle Sergeants
- Six Motorcycle Officers
- One DWI Enforcement Officer

The Traffic Unit exists as an effort to reduce the number of injury and fatality crashes. The Traffic Unit uses enforcement, education, and community partnership to work toward that goal. The personnel assigned to

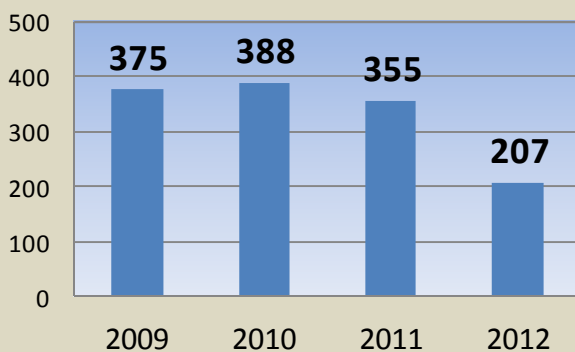

the unit have extensive training in Accident Reconstruction, which applies the laws of physics as it relates to vehicular motion. They use updated technology to help them accurately reconstruct serious or fatal collisions.

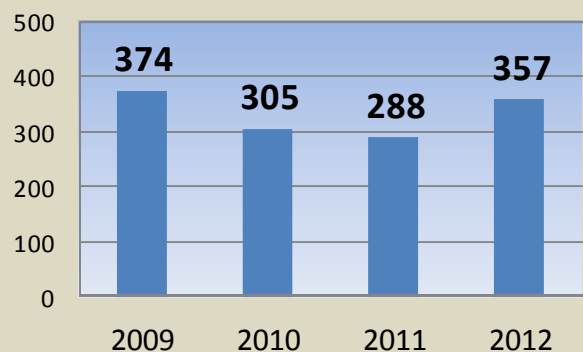

Additionally, the traffic unit has a CMV (Commercial Motor Vehicle) inspection team. These Officers maintain certifications as Department of Transportation (DOT) Inspectors in order to inspect and detect unsafe CMV's that put the driving public at risk.

There were three (3) fatal collisions in 2012.

Major Accidents

DWI Arrests

Uniform Operation Division

Street Crimes Unit

The Street Crimes Unit is comprised of one police sergeant, two officers and two K-9 officers with their canine partners. The unit conducts pro-active patrols in areas of high crime that require more attention than a district officer is able to provide during the shift. The Street Crimes unit may be deployed in unmarked cars, bicycles and ATV's. They conduct specialized investigations in auto theft, prostitution, underage drinking, and gang issues.

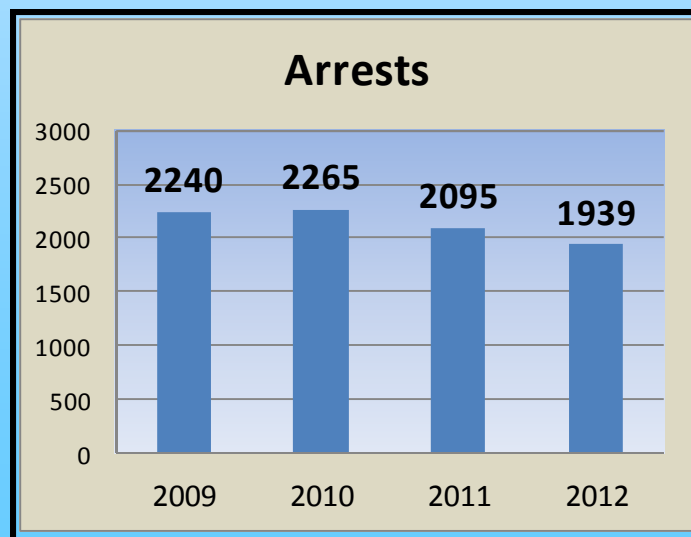

Canine Officer

The Canine officers and their canine partners also conduct buildings searches, article searches, narcotics crime searches, and tracking of criminal suspects.

Jail

The Grapevine Jail is responsible for the temporary housing, care and custody of suspects arrested by Grapevine Police Officers or other agencies with Grapevine warrants. The jail is a 24 hour operation. The staff is comprised of a Jail Supervisor and five Jailers. They are dedicated to service, team work, and professionalism.

Uniform Operation Division

Animal Control

Grapevine Animal Shelter personnel work under the supervision of the Police Department. The Grapevine Animal Shelter helps to promote safe neighborhoods for people and their pets. They also protect animals and the public through education and city ordinance enforcement.

The Shelter also serves as a pet adoption center, helping to rescue homeless and unwanted pets, and adopt them out to loving homes.

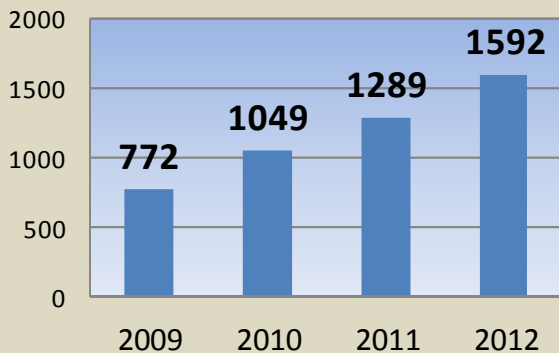

Other services provided by our shelter are:

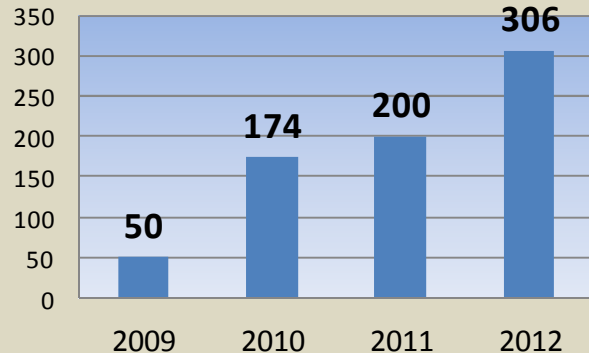

- Animal trap rentals and pick-up
- Wildlife removal
- Stray animal pick-up
- Response to animal noise complaints
- City animal code enforcement
- Regular patrol of city parks and neighborhoods

The Animal Shelter is located at 500 Shadybrook Drive and can be reached at 817-410-3370.

Animals Impounded

Animal Adoptions

Uniform Operation Division

SWAT

The Grapevine SWAT team joined SWAT teams from Hurst, Euless and Bedford in October of 2012 to form one regional team, the Northeast Tarrant County Area Swat Team (NETCAST). This team provides SWAT services to all 4 cities. These services deal with special threat situations where special training and equipment are needed. Examples of these situations include hostage rescue, barricaded persons and high risk warrants.

By joining NETCAST, Grapevine now has access to more personnel and equipment. NETCAST has a total of 32 operators, 4 medics, 4 command staff and 13 negotiators. The team has an armored personnel carrier, a “throw phone” with video and microphone abilities, breaching tools, chemical munitions and several other pieces of specialized equipment.

The team is not full time and is staffed on a voluntary basis. Members must qualify on all weapons and pass a rigorous physical fitness test. Team members are required to train for 16 hours per month. This usually includes 8 hours of tactical training and 8 hours of firearms training. This training is generally taught by members of the team.

Grapevine SWAT Team

Crisis Negotiation Unit

The Crisis Negotiation Unit is comprised of eight members specifically trained to respond and resolve Critical Incidents. Each Negotiator completes extensive training in Active Listening and Communication Skills. The Crisis Negotiation Unit also receives annual training in conjunction with the Texas Association of Hostage Negotiators and the FBI.

Uniform Operation Division

Honor Guard

The Grapevine Police Honor Guard is comprised of eighteen (18) members. The Honor Guard is designed to provide the Department with a specially trained ceremonial team to render honors, preserve tradition, stimulate Esprit-de-corps and instill pride.

All Terrain Vehicle (ATV) Patrol

The Grapevine Police Department utilizes ATV's during the summer months to patrol the Grapevine Lakes and Parks. The officer assigned to this patrol must complete ATV certification.

Bicycle Patrol

The Grapevine Police Department officers are certified in Bike Patrol. Officers must complete training through IPMBA to be certified riders. Officers deploy the bicycles at the Grapevine Mills Mall, restaurants, apartment complexes, and residential and business districts. Bike Patrol allows the officers to develop closer relationships with the citizens and business owners within their operational boundaries.

School Crossing Guard Program

The School Crossing Guard Program provides safe crossings for school children at thirteen locations in the morning and afternoons. School Crossing Guards are mainly stationed at crossings adjacent to elementary schools. The program is under the supervision of the Uniform Operations Division and employs thirteen (13) crossing guards. In the case of a crossing guard absence, the position is staffed by Volunteers in Police Service (VIPS).

Criminal Investigation Division

Criminal Investigations

The focus of the Criminal Investigations Division (CID) is to solve crimes by exhausting reasonable leads and information for reported offenses. By solving crimes and identifying offenders in our area, a safe and more secure environment will exist for our citizens and visitors to our community.

Captain John Luna

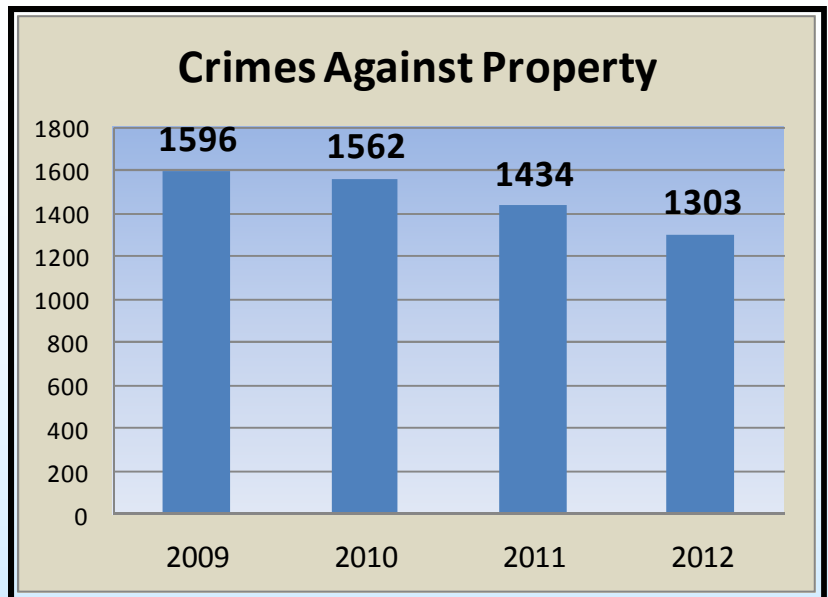

Criminal Investigation Division

Criminal Investigation Types

Crime reports are divided by type between property crimes, persons crimes, and special investigations.

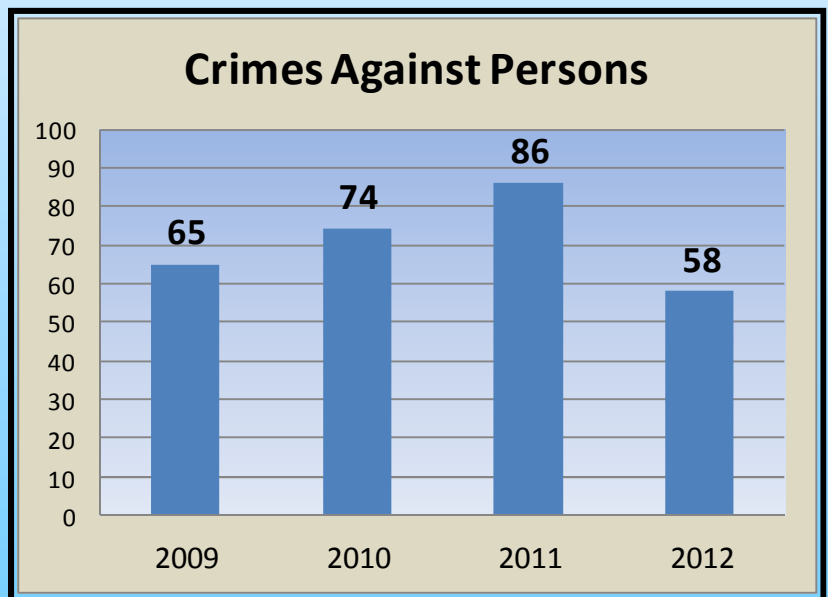

Property crimes include:

- Auto theft
- Burglary of vehicles
- Burglary of homes and businesses
- Theft

Persons crimes include:

- Assault
- Robbery
- Sexual Assault
- Crimes against children and family violence

Criminal Investigation Division

Property Crimes

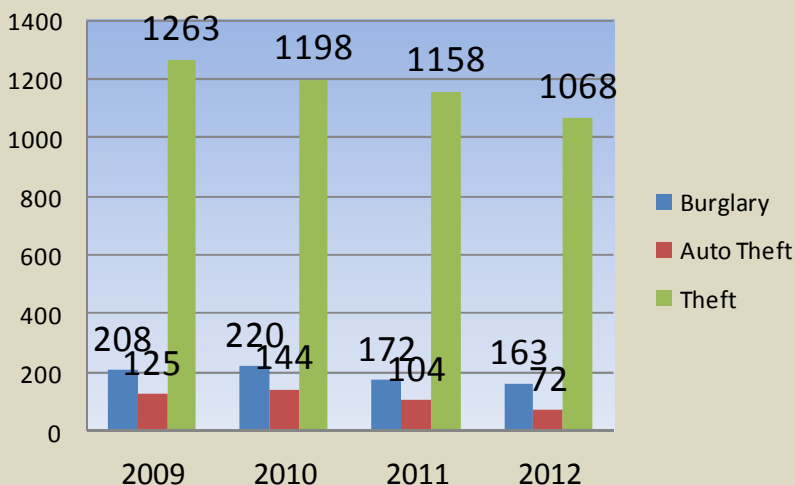

Property crimes are the most common offenses reported in Grapevine. Detectives strive to contact all crime victims, including suspended cases. A suspended case is an offense where there are no existing investigative leads. By contacting the victims of suspended cases, victims are notified of the case status and are urged to provide any additional information that may change the investigation's status to an active case.

Investigative Assistant

The Criminal Investigation Division has an investigative assistant. This civilian position assists detectives with their case investigations. Responsibilities for the Investigative Assistant include, but are not limited to: reviewing surveillance video footage for investigative leads, obtaining follow up information, checking databases for additional leads, preparing photo line-ups, and preparing/disseminating crime bulletins. This year 104 crime bulletins were prepared.

Crimes Against Property Details

Criminal Investigation Division

Crimes Against Persons

The Crimes Against Persons Unit is responsible for:

- Crime Victim's Assistance
- Referrals to Child Protective Services
- Working with the Women's Shelter and Women's Haven
- Registered Sex Offenders <http://records.txdps.state.tx.us>
- Computer Forensic examinations

In 2012, there was one sex offender arrested for failing to register as a sex offender.

Special Investigations Unit

This Special Investigation Unit is responsible for:

- Investigation of forgeries, frauds, identity thefts, and financial crimes
- Warrant services
- Investigation of traffic related crime (DWI, Hit and Run, Intoxication Manslaughter)
- Investigation of narcotics violations through assignment with the Northeast Tarrant County Narcotics Task Force

Criminal Investigation Division

Crime Scene Investigations

The Crime Scene section of CID consists of two civilian personnel trained as Crime Scene II Technicians. Their responsibilities include the processing of crime scenes for evidence.

Commonly known as CSI, our personnel are trained in crime scene processing, videography, photography, fingerprint classification and comparison, shooting reconstruction, and blood spatter analysis. These two personnel also manage all items collected and retained as evidence or received as found or abandoned property.

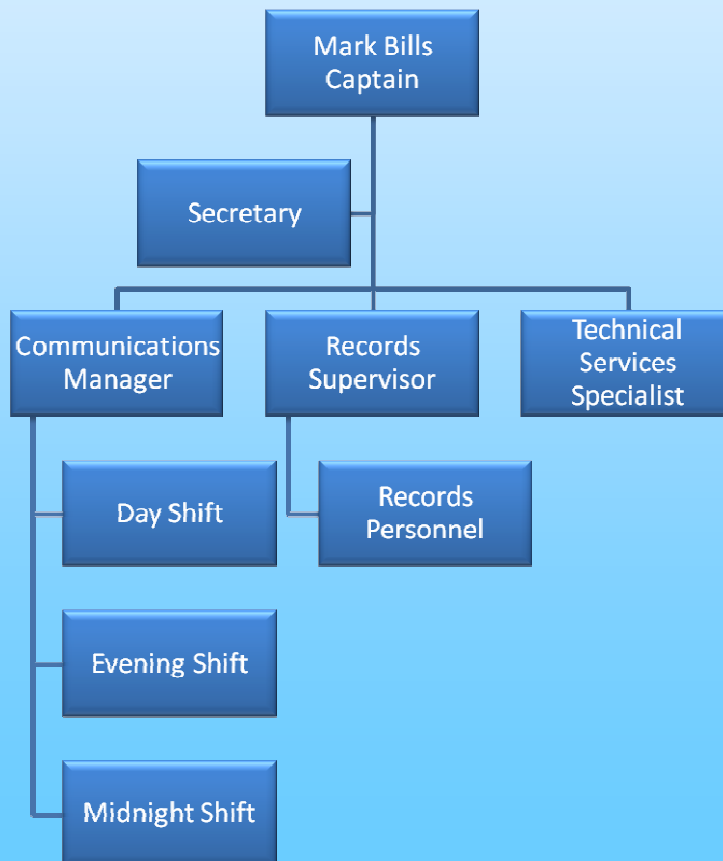

Technical Services Division

Technical Services Division

Technical Services Division manages the 911 Communications Center providing radio dispatching of Police, Fire, and EMS units. The division is also tasked with maintenance of radio and computer equipment and our digital records management system, as well as providing oversight to the Police Records Center.

Captain Mark Bills

Technical Services Division

Dispatch

The Communications Center operates 24 hours a day and is staffed by:

- Communications Supervisor
- Three Dispatch Supervisors
- Fourteen Dispatchers

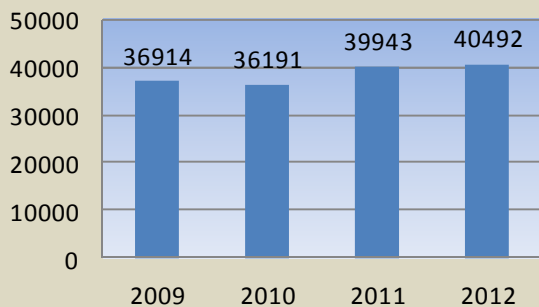

Dispatchers are responsible for:

- Answering nine incoming 9-1-1 Emergency lines
- Answering twelve non-emergency lines
- Dispatching Police and Fire Units
- Monitoring six radio channels, including the State Wide Interoperability Channel
- Processing data from Texas Crime Information Center and National Crime Information Center

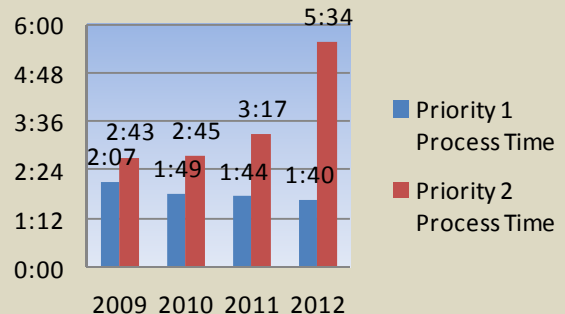

Communications Center

Technical Services Division

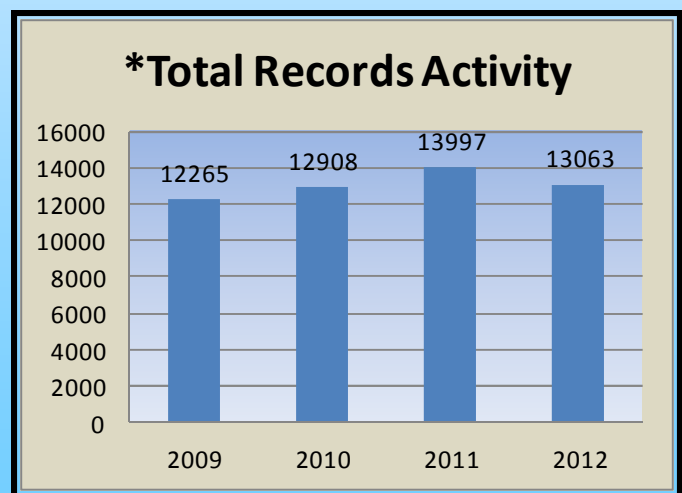

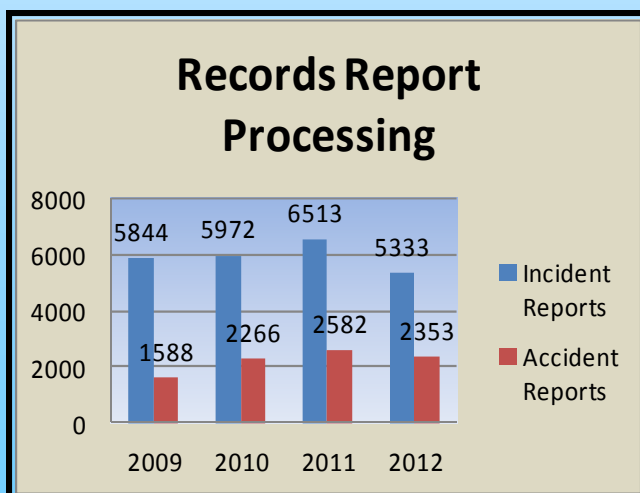

Records

The Records section receives and processes all reports generated by police personnel in addition to compiling reports as required by the Department, State and FBI. During entry of the reports, the Records Clerks perform quality assurance on the reports before uploading them into the computerized records management system to ensure accurate information is entered and also ensures a report is processed for all applicable calls for service.

Anyone wishing to obtain a copy of their accident report can obtain it from anywhere they have an internet connection by visiting <http://grapevinetx.policereports.us>.

The Uniform Crime Report (UCR) is submitted on a monthly basis to The Department of Public Safety in Austin. This information is also used to compile reports used by administrative staff to manage the department.

All of the Records functions are performed by a staff of four civilian employees, Monday through Friday from 8:00am to 5:00pm.

*Total Records Activity includes Incident Reports, Accident Reports, Alarm Actions, and Open Record Requests.
